TRAINING COURSES

· 2019 ·

NOT ONLY GELATO

WHO IS IT FOR

The course is for master gelato makers and pastry chefs who wish to increase the appreciation of artisan gelato by offering it in a traditional way but with a modern twist.

TRAINING OBJECTIVES

The Not Only Gelato course offers the creation of artisan preparations at the basis of gelato, considering the theoretical and practical aspects of all the phases of the process.

PROGRAMME

- Production and management of gelato cakes
- Take-away sticks and snacks
- Sicilian Granita crushed ice
- Crêpes
- Mignon and small pastries in gelato

* A charge of 22% VAT will be added if European VAT number will prove not valid (according to official EU website www.ec.europa.eu)
